How did Plymouth Start?

In 1980, a task force on homelessness from Plymouth Congregational Church founded Plymouth Housing Group.
Our Mission

Plymouth Housing works to eliminate homelessness and address its causes by preserving, developing and operating safe, quality, supportive housing and by providing homeless adults with opportunities to stabilize and improve their lives.
In January, 2018, many of our neighbors were experiencing homelessness:

“The residents and staff of both buildings [on 3rd Avenue] are good neighbors to our community. Plymouth made every effort to lease the space to organizations that would be an asset to 3rd Avenue... This decision has been an asset to the block. I am pleased to support Plymouth.”
