

Cooking Lead Volunteer

Are you looking to get more involved in your community and positively impact people's lives? Volunteering with Plymouth Housing is a great way to bring joy, belonging, and well-being to individuals who previously experienced long-term homelessness.

Role Summary:

We are looking for volunteers to support our building staff by independently cooking and preparing meals for roughly 50-60 residents. These shifts will last approximately two hours, including leading the cooking process and serving the meal. This volunteer will receive assistance from building staff or support volunteers as needed. In addition to helping on-site, we're looking for a volunteer who can help plan each meal with building staff.

This is a great opportunity to develop connections with Plymouth staff and enrich the lives of our residents. This is a highly impactful role, as some of our residents experience food insecurity and look forward to a hot meal shared with community.

Role Qualifications/Requirements:

- Basic understanding/knowledge of food preparation and cooking
- Basic understanding/knowledge of food safety and hygiene
- Comfortable with chopping and washing ingredients
- Able to pass a background check
- A desire to engage with our residents and align with our values of harm reduction and Housing First
- Able to commit for a minimum of 6 months on a weekly, bi-weekly, or monthly cadence
- Have reliable transportation to and from the building

Feel like you may be a good fit or have any questions? Please reach out to volunteer@plymouthhousing.org, and our volunteer coordinator would be happy to discuss the next steps.

About Plymouth Housing

Plymouth Housing is a nonprofit organization that develops and operates permanent supportive housing for single adults who have experienced chronic homelessness. With apartment buildings throughout King County that offer services like health care and counseling on-site, Plymouth is helping the most vulnerable members of our community leave homelessness behind forever. Learn more at PlymouthHousing.org.

Thank you for your interest in supporting our mission!
