

## Gardening Volunteer

Are you looking to make a difference in your community and positively impact people's lives through gardening? Volunteering with Plymouth Housing is a great way to bring joy, belonging, and well-being to individuals who previously experienced long-term homelessness.

### **Role Summary:**

We are looking for volunteers who want to get their hands dirty! Plymouth Housing has 17 buildings across King County, and many of them have urban gardening spaces. This volunteer would connect with residents and work together to develop, maximize, and maintain the urban garden space. This role is highly impactful as it empowers residents to care for their community, neighbors, and home.

### **Role Qualifications/Requirements:**

- Must own some gardening supplies to use and share with residents
- Able to pass a background check
- Must have a desire to engage with our residents and to align with or learn more about our values of Housing First and harm reduction
- Able to commit for at least 6 months on a bi-weekly or monthly cadence
- Have reliable transportation to and from the building

Feel like you may be a good fit or have any questions? Please reach out to [volunteer@plymouthhousing.org](mailto:volunteer@plymouthhousing.org), and our volunteer coordinator would be happy to discuss next steps.

### **About Plymouth Housing**

Plymouth Housing is a nonprofit organization that develops and operates permanent supportive housing for single adults who have experienced chronic homelessness. With apartment buildings throughout King County that offer services like health care and counseling on-site, Plymouth is helping the most vulnerable members of our community leave homelessness behind forever.
